### Anticipated Re-Opening of Schools – Parent Survey

Dear Parent/Carer

Further to our letter of 13 May 2020, we hope that you will appreciate that at this time we are unable to provide any further specific details of our planned approach for parents / carers and pupils given the proximity of the release of the government guidance. However, we will ensure that any confirmed arrangements are released as soon as is possible.

At this time, it is important for us to take a measured approach, and to stress that we will continue to place the safety of pupils and staff at the centre of every decision that we take.

To enable us to support our planning, your opinions and intentions around the proposals to re-open school are of significant importance. We have therefore created the attached survey for you to complete, as your child / children are in a year group that has been proposed by the Government to return from 1 June.

We ask that you complete the survey by **12noon on Monday 18 May 2020**.

Through the survey, we would like to gain confirmation of expected pupil attendance, any specific support requirements for pupils, and to gauge your views on opening the academy to pupils by providing any specific information that you feel is relevant.

For further supporting information please refer to the published guidance for parents / carers that can be found here:

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

It is important that you complete this survey for each child where you have more than one child who attends the academy in the identified year groups. The contents of this survey are confidential and will be used by the academy solely for the purpose of planning to re-open the academy and to ensure that specific support is in place for pupils where necessary.

The survey link can be found here:

Many thanks for your continued support and co-operation at this time

Yours sincerely

Mrs N Walker  
Principal
