Dear Parent/Carer

### **Catering Arrangements for Year 7 induction days**

We are looking forward to welcoming your child on Thursday at 8:45am

The Academy has an online payment system to allow you to pay for your child's meals. Previously, pupils have accessed this via a biometric system, but in light of Covid 19, your child will give their name to identify themselves at the till.

We had hoped to be able to issue you with your password to the Scopay system prior to induction. As this is not possible, your child will receive the instructions via paper during their induction day.

However, your child will be able to access the full on-site catering facilities on both Thursday and Friday, even if a payment account has not yet been created. Charges will be added to their account for future payment. Your child is also able to bring a healthy packed lunch.

Our menu for Thursday and Friday for Breakfast, Break and Lunch is: Toatsed bagels, toast, fruit pots, pasta & sauce, jacket potatoes, sandwiches, traybake and various drinks.

Further updates on our menu offer can always be found on our website here:  
<https://horbury.accordmat.org/academy-kitchen-provision/>

Thank you for your patience at this time and we look forward to seeing you on Thursday.

Yours sincerely

Mrs N Walker  
Principal
