18 December 2020

Dear Parent/Carer

Update – Government Proposals for a Staggered Return in January 2021

You will be aware that the government yesterday set out its intention for there to be a staggered return of secondary and Post 16 age students back to schools from the 4 January 2021. At this stage there has been no clarification of the expectations that the government has in this respect, or any confirmation of the nature of testing (with consent) for both students and staff.

Given the above, please rest assured that I will be in touch with you at the soonest possible opportunity over the festive break regarding the changes to our planned reopening on Monday 4 January 2021. This is clearly not an ideal situation; however, I am acutely aware of the implications that a staggered return would have on you as parents / carers and so my intention will be to communicate our outline plans with you by no later than Wednesday 30 December 2020.

In the meantime, I would like to thank you all for your continued patience and support and wish you all a very Merry and Safe Christmas.

Yours sincerely,

A handwritten signature in black ink, appearing to read "N. Walker".

Mrs N Walker
Principal
