Dear Parents, Carers and Pupils,

Year 7 and 9 Photographs

I am writing to let you know that the official individual year 7 and 9 school photographs will be taken on **Thursday 8 September**. We hope that proofs will be available on the day so you can get your orders in quickly.

You will be able to order online, about 2 days after the photograph is taken. Please use this link <https://tempest-orders.co.uk/> to place your orders if you can.

If it is not possible for you to order online, you can still return your order form to school, with payment, in the envelope provided.

The deadline for ordering will be Friday 23 September.

All photographs ordered by this date will benefit from free delivery back to school.

You can still order after this date for delivery to your home, but there will be a delivery charge.

Yours sincerely,

N Walker
Principal
