Year 9 Educational Visits 2022/23

Dear Parent /Carer

Principal: Mrs N Waker

This year we plan to run a range of educational visits to support delivery of the curriculum. I am writing to highlight the planned trips which will be on offer to pupils in your child's year group.

With the challenges we are all facing in the current economic climate, we wanted to give parents and carers early notice of these educational visits so that you have the opportunity to plan and budget for any trips that you would like your child to attend. All trips are optional, and the Academy will ask for a contribution towards the running of the trip. Below is an early estimate on the cost of each educational visit. Individual letters will be sent out ahead of each trip which will clarify the details and confirmed contribution.

Wherever possible, the Academy will support families to ensure pupils can access these opportunities. We will ensure all pupils in Year 9 are able to attend at least one educational visit in 2022/23.
