## Uniform Policy

### Recognised Retailers

Academy branded / logo uniform (blazers, skirts, PE kit) can be purchased from the following retailer:

#### The Box

13 Towngate Ossett  
Wakefield  
WF5 9BL

Telephone: 01924 263030

Please note that a number of other retailers in the local area may try to sell **unofficial Horbury Academy branded uniform**. This includes supermarkets and high street shops that have a 'school uniform' section. Due to these circumstances, we would advise you **not to buy** from these retailers as the garments have not been quality assured by the academy and may not conform to our uniform standards.

Parents can buy "generic" uniform items e.g. shirts, socks, trousers from a range of retailers not listed above e.g. supermarkets.

### Uniform Support

The academy maintains a stock of second-hand uniform which is available for parents/carers upon request. The academy encourages all parents/carers to donate any outgrown or unwanted uniform items to this store if they are able.

### Uniform Rules

Horbury Academy strongly believes that pupils should be smartly dressed. We expect all our pupils to attend wearing the academy's uniform correctly. We believe that a uniform gives pupils' a pride in their appearance and a sense of belonging to the academy. Horbury Academy is a place of learning and it is important that pupils recognise the need for appropriate business dress.

Uniform checks take place daily, as pupils arrive at the academy, and throughout the day. Any pupil wearing items that do not conform to our policy will be asked to change into academy uniform. Pupils in non-regulation shoes / trainers are issued black shoes to wear instead. Pupils will be instructed to

have their shirts tucked in and must not have their blazer sleeves rolled or pushed up. Pupils may be issued a sanction if they wear incorrect uniform or jewellery.

**Please note:** Horbury Academy will reserve the right to ask a child to go home and change his / her uniform if it does not fulfil the criteria in this policy (subject to parental permission). In addition, failure to adhere to our uniform expectations can result in pupils being withdrawn from lessons until the issue is resolved.

It is strongly advised that all items of uniform have a clear name label sewn into the inside of each garment.

Unlike many other academies, we have chosen not to place a complete ban on mobile phones, instead, we allow pupils to have mobile phones switched off and in their bags during the academy day and only to be used as a tool for learning under the specific direction of a class teacher. We believe this will better allow us to safeguard pupils and limit their access to screen time. Mobile phones should be switched off, in pupils' bags and should not to be seen or heard in or around the academy. Where a pupil's mobile phone is seen or heard this will be confiscated until a parent can collect it. Headphones are prohibited in the academy.

### **All pupils must adhere to the academy rules as below:**
